

Research Study

University of Michigan

Residents, Family & Friends, Legal Representatives

What and Why?

The research team wants to understand what residents' lives are like here at the nursing home. We want to know about what they do here and what kinds of activities they participate in. Our goal is to understand how we can improve things here.

What Happens?

If you decide to participate, we will interview you for about an hour and show you two short videos. You are welcome to stop the interview at any time if you like.

When?

The nursing home is helping to coordinate the interviews. Times will depend on your schedule, activities at the nursing home, and the researchers' schedules.

Who Is Interviewing Us?

There will be a group of students from the University of Michigan's School of Information.

What Kinds of Questions Will They Ask?

They're going to ask you about what you do here at the nursing home. They'll ask about what you like and what you don't like and about how things could be made easier for you. All information you provide will be kept confidential.

Is There Payment for the Interview?

You will get a \$20 gift card from Busch's grocery store. Even if you decide to stop the interview before it ends, you will still receive the gift card.

Do I Have to Participate?

No. You will decide if you want to do the interview.

Questions?

We are happy to answer your questions. Call Jill Meyerson who is one of the researchers. Her number is: 704-456-5078
